**Notes:-**

**It is important that you read and understand all the following:**

- a. **This decision is for planning purposes only and for no other purpose including Building Regulations. Separate approval may be required for these works.**
- b. Applicants must satisfy themselves that **all further consents** have been obtained including, where appropriate, those affecting protected trees and Public Rights-of-Way.
- c. Applications relating to **Council-owned or former Council-owned dwellings** must meet the requirements of covenants of their lease or deeds by obtaining consent for any works from the Communities Directorate.
- d. It is a **legal requirement** that all new domestic and commercial property addresses are registered by our Street Naming and Numbering team. If a property is not lawfully assigned an address through this process it will not appear on the council's Local Land and Property Gazetteer which is used by Royal Mail and the Emergency Services. Apply on line at <http://www.eppingforestdc.gov.uk/planning-and-building/apply-to-name-or-number-a-building-or-street>

- f. The Council encourages all developers to follow the principles of **Sustainable Drainage Systems (SuDS)** in designing facilities for the handling of rainwater run-off. Furthermore, if storm drainage discharges to an existing ditch or watercourse and/or if any works are to take place to, or within 8 metres of, any open or piped watercourse, then Land Drainage Consent is required from the Council under its byelaws.
- g. Applicants are advised **not to store building materials** on the highway and not to damage highway verges, so please avoid parking construction vehicles and machinery on verges. Please be aware that highway damage is easily reported through the Council's website and will be investigated by Essex County Council officers.
- h. **Appeals to the Secretary of State**

There are varying time periods in which to make an appeal, which are:  
**Advertisement consent application** - within 8 weeks from receipt of the decision notice  
**Refusal of a householder planning application or a 'minor commercial' development application** - within 12 weeks from the date on the decision notice

**TOWN AND COUNTRY PLANNING ACT 1990**  
**Town and Country Planning (Development Management**

If an **enforcement notice** is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you **must** do so within 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of the notice, whichever period expires earlier.

**i. Purchase Notices**

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council of the District or London Borough in which the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Act 1990.

**j. Compensation**

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Act 1990.
