**FULL PLANNING PERMISSION**

**Location and Description:**

Installation of vehicle entrance gates and a pedestrian entrance gate fronting Filmer Road elevation.

Drawing Nos: Proposed Plan And Elevation\_V4

**Particulars of Decision:**

**Full planning permission granted subject to the following condition(s):**

- 1 The development hereby permitted shall not commence later than the expiration of 3 years beginning with the date of this planning permission.

Condition required to be imposed by section 91(1)(a) of the Town and Country Planning Act 1990 (as amended by section 51 of the Planning and Compulsory Purchase Act 2004).

- 2 The development hereby permitted shall be carried out in complete accordance with the approved plans and drawings listed in this decision notice, other than where those details are altered pursuant to the conditions of this planning permission.

For the avoidance of doubt and in the interests of proper planning.

- 3 The development hereby approved shall be carried out and completed in accordance with the materials details (including colour and finish) specified below:

Gates: painted black metal.

The development shall be permanently retained in accordance with the approved details. Any works of making good to existing elevations shall be carried out in materials to match the elevation to which the works relate.

To ensure a satisfactory external appearance, in accordance with Policies DC1, DC4 and DC8 of the Local Plan (2018).

- 4 The gates, hereby approved, shall be inward opening as shown on the approved plans and shall be permanently retained in this form.

To avoid hazard and obstruction being caused to users of the public highway in accordance with Policy T1 and T4 of the Local Plan (2018).

#### **Reason(s) for granting planning permission:**

- 1 It is considered that the proposal would not have an unacceptable impact on the existing amenities of the occupiers of neighbouring residential properties, and would be of an acceptable visual appearance within the conservation area. The proposal would also not impact upon the operation of the highway. In this respect the proposal complies with Policies T1, T4, DC1, DC4, DC8 and HO11 of the Local Plan (2018).

#### **For your information:**

- 1) In determining this application, the local planning authority has worked in a pro-active and positive manner with the applicant to foster the delivery of sustainable development, in accordance with the requirements of paragraph 38 of the National Planning Policy Framework (2021).

**LONDON BOROUGH OF HAMMERSMITH AND FULHAM  
TOWN AND COUNTRY PLANNING ACT 1990**

**STATEMENT OF APPLICANTS' RIGHTS**

arising from the grant of planning permission subject to conditions

- 1** An applicant aggrieved by the accompanying decision may appeal to the Secretary of State in accordance with Section 78 of the Town and Country Planning Act 1990. An appeal must be made by Notice served within six months of the date of this notice.
- The Secretary of State has the power to allow a longer period for the giving of notice of appeal but will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the Development Order and any Direction given under the Order.
- 2** If permission to develop land granted subject to conditions, whether by the local planning authority or by the Secretary of State, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state, and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which had been or would be permitted, then a Purchase Notice may be served on the Council of the London Borough of Hammersmith and Fulham requiring that authority to purchase the owner's interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
- 3** In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused, or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 108 of the Town and Country Planning Act, 1990.
- 4** Any appeal must be made on the appropriate forms, which can be obtained by post from:  
**The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN**  
or from the Inspectorate website at: [www.planning-inspectorate.gov.uk](http://www.planning-inspectorate.gov.uk)  
Telephone: **0117 372 8000**

**GENERAL INFORMATION**

The granting of planning permission does not relieve developers of the necessity for complying with any local Acts, the Building Regulations and general statutory provisions in force in the area, nor does it modify or affect any personal or restrictive covenants, easements etc, applying to or affecting either the land to which the permission relates or any other land or the rights of any persons or authorities (including the Council of the London Borough of Hammersmith and Fulham) entitled to the benefit thereof or holding in the property concerned in the development permitted or in any adjoining property.

The Council's Building Control Officer should be consulted at the earliest possible opportunity before commencing the development with regard to the provisions of the Building Regulations and/or other statutes.

Further, applicants are advised that the granting of planning permission does not authorise any development which may encroach upon a public highway and, in the event of such an encroachment, the Council may take such action as is appropriate to secure the removal of that part of the development which encroaches upon the public highway.

The Council's Highways and Engineering Division should be consulted as to any works proposed to, above, under or abutting any carriageway, footway or forecourt.

## **LONDON BUILDING ACTS (AMENDMENT) ACT 1939 - PART II (AS AMENDED BY THE LOCAL GOVERNMENT ACT 1985) STREET NAMING AND NUMBERING**

The Council provides a naming and numbering service for all properties in the borough. It deals with all changes to streets, buildings, houses and units, both residential and commercial.

Under the above Act it is obligatory that streets and buildings are named and numbered through the Council. It is an offence under Section 13 of the above Act to display any name or number which has not been lawfully assigned by the Council.

### **We Are Here To Help**

Please contact us if you are involved in:

- Property Development
- Creating New Properties
- Building Conversions

If you do not have your name/number lawfully assigned by the Council your address may not be recognised and you may experience difficulties with the following:

- Postal Deliveries
- Utilities Connection / Billing
- Obtaining Credit
- Electoral Registration

### **What Do We Do?**

Many problems arise because the Royal Mail does not hold a correct address. Please note that the Royal Mail will only amend their database on the recommendation of the Council so changes of this nature should be directed to us in the first instance. The Royal Mail are, however, solely responsible for the allocation of postcodes.

If a new name or number must be assigned to a street, premises or development then a series of consultations must be carried out with the Metropolitan Police, Fire Brigade, Ambulance Service and the Royal Mail. This is to avoid duplications which may cause confusion and lead to possible misdirection and/or delay of post and emergency services. This process will often take 2-6 weeks to complete.

It is therefore advisable that the naming and numbering of new streets and buildings is applied for well in advance of their occupation to avoid delays to the provision of utilities and other services.

Please note that a fee is charged for this service, calculated according to the number of addresses required.
