GENERAL INFORMATION
TOWN AND COUNTRY PLANNING ACT 1990

This decision does not convey any approval, consent, permission or licence under any other Acts, or Bye-Laws, Orders or Regulations and nothing in this decision shall be regarded as compliance with or approval, consent, permission or licence under other legislation.

You must ensure that your proposal complies with the Building Regulations. You can obtain advice from Building Control, between 09:00 and 13:00 Monday to Friday at the Town Hall Extension, Wandsworth High Street, SW18 2PU and via telephone on no. 020 8871 7620.

You are also reminded that the Council's permission does not modify or affect any personal or restrictive covenants easements, etc., applying to or affecting the land or the rights of any persons (including the Council) entitled to the benefits of them. If you are unsure whether there are relevant restrictions which might stop the building of extensions, alterations to the property or changing the use (even if you have a planning permission) you should consult a suitably qualified professional advisor.

If the proposed development requires changes to, or new street name or numbers you should contact the Council's Street Name and Numbering Section at the earliest opportunity (Tel No. 020 8871 7520).

Statement of Applicant's Rights arising from the refusal of planning permission or from the grant of permission subject to conditions.

- If you are aggrieved by the decision of the Council to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 12 weeks of the date of this notice, whichever period expires earlier.
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/planning-inspectorate>.
- The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

Purchase Notices and Compensation

If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subjects to conditions, the owner may claim that the land cannot be put to a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances the owner may serve a purchase notice on the Council requiring the Council to purchase the land in accordance with the provision of Part IX or the Town and Country Planning Act 1990.

In certain circumstances compensation may be claimed from the local planning authority if permission is refused or granted subject to conditions by the Secretary of State on appeal. These circumstances are set out in sections 169 and related provisions of the Town and Country Planning Act 1990.

Informative

Wandsworth Council supports development that is neighbourly and responsible. As such, we request developers to enter meaningful dialogue with neighbours and liaise with them throughout the development process, including before construction begins. A message from your Wandsworth Building Control Team

I am writing to you following a recent planning application to my colleagues in the Development Management team for work at your property. You may not be aware that the proposed work also needs approval under the Building Regulations so I wanted to take the opportunity to tell you about our service.

We are your Local Authority Building Control team but also with the backup of a national organisation (LABC). As you may know LABC can also provide warrantees, thermal and acoustic consulting services and fire engineering solutions to suit your needs.

As a Chartered Building Consultancy recognised by the Chartered Institute of Building and You can be assured that our quality control and procedural standards are very high.

Your team consists of qualified and experienced officers as well as specialists in fire and structural engineering with detailed knowledge. Because we are in competition with private approved inspectors who may be used by the builder or architect we are aware that we need to provide you with a flexible and reliable service at a competitive price.

Your local building control officers are easily accessible by mobile phone and offer a fast response to requests for site inspections along with helpful advice on compliance with the building regulations. If problems are found on site we will be there quickly to help you to resolve them and we can offer suggestions which will add value to your project.

Because we are independent and paid by the building owner you will be safe in the knowledge that we will always act impartially and our fees are set only to cover the cost of the service, not to make a profit, so you can also be assured of value for money.

I do hope that you will choose us to help you complete your project and if you would like to discuss your proposals before making an application please email us on buildingcontrol@wandsworth.gov.uk or visit our web site, www.wandsworth.gov.uk/buildingcontrol or contact our office on 020 8871 7620
