The South Cambridgeshire District Council hereby CERTIFY that on 25 August 2021 the use/operations/matter described in the First Schedule in respect of the land specified in the Second Schedule hereto and outlined/edged/hatched/coloured in RED on the plan attached to this certificate would have been lawful within the meaning of Section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

Reasons for Lawfulness

- 1 It is considered the installation of the acillary/portable annexe under the Caravan Act does not amount to 'development' as set out by Section 55 of the Town and Country Planning Act 1990.

Notes

- This certificate is issued solely for the purpose of Section 192 of the Town and Country Planning Act 1990 (as amended).
- It certifies that the use/operations/matter specified in the First Schedule taking place on the land described in the Second Schedule would be lawful on the specified date, and thus would not have been liable to enforcement action under section 172 of the 1990 Act on that date.
- This certificate applies only to the extent of the use/operations/matter described in the First Schedule and on the land in the Second Schedule and identified on the attached plan. Any use/operations/matter which is materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.
- The effect of this certificate is also qualified by the proviso in S192(4) of the 1990 Act, as amended, which states that the lawfulness of a described use or operation is only conclusively presumed where there has been no material change, before the use is instituted or the operations begun, in any of the matters relevant to determining such lawfulness.
